INDEPENDENT AUDITORS' REPORT

TO THE SHAREHOLDERS OF AXIOM LIMITED

(Incorporated in Hong Kong with limited liability)

Report on the Financial Statements

We have audited the financial statements of Axiom Limited set out on pages 5 to 8, which comprise the statement of financial position as at 31st December, 2012, the statement of comprehensive income for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Director's responsibility for the financial statements

The director is responsible for the preparation and presentation of these financial statements in accordance with the Small and Medium-sized Entity Financial Reporting Standard (SME-FRS) issued by the Hong Kong Institute of Certified Public Accountants. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and presentation of financial statements and ensuring that they are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

In addition, section 141D of the Hong Kong Companies Ordinance requires that the statement of financial position together with the notes thereon should be prepared in accordance with the requirements of the Eleventh Schedule to that Ordinance.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Hong Kong Standards on Auditing and with reference to PN 900 (Revised) "Audit of Financial Statements Prepared in Accordance with the Small and Medium-sized Entity Financial Reporting Standard" issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the director, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements have been properly prepared, in all material respects, in accordance with SME-FRS. In addition, in our opinion the statement of financial position together with the notes thereon is properly drawn up so as to exhibit a true and correct view of the state of the Company's affairs as at 31st December, 2012 according to the best of our information and explanations given to us, and as shown by the books of the Company.

Report on other matters under section 141D of the Hong Kong Companies Ordinance

We report that we have obtained all the information and explanation which we required.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31ST DECEMBER, 2012

1. CORPORATE INFORMATION

The Company was incorporated in Hong Kong with limited liability under the Hong Kong Companies Ordinance. The address of its registered office and principal place of business is Room 4511, 45/F., The Center, 99 Queen's Road Central, Hong Kong. The principal activity of the Company is trading, imports and exports of precious metals such as gold and silver and jewellery. In addition, the Company also involves in global investment. The operations of the company are at Hong Kong, Dubai and Singapore.

2. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The Company qualifies under the Hong Kong Companies Ordinance to prepare and present its financial statements in accordance with section 141D of that Ordinance. The Company's shareholders have unanimously agreed in writing to apply section 141D with respect to the Company's financial statements for the year ended 31st December, 2012.

These financial statements comply with the Small and Medium-sized Entity Financial Reporting Standard issued by the Hong Kong Institute of Certified Public Accountants and have been prepared under the accrual basis of accounting.

The measurement base adopted is the historical cost convention.

The following are the specific accounting policies that are necessary for a proper understanding of the financial statements:

a. Revenue recognition

Revenue is recognized when it is probable that the economic benefits will flow to the Company and when the revenue can be measured reliably.

Turnover represents sales income during the period. Interest income from bank deposits is accrued on a time proportion basis on the principal outstanding and at the interest rate applicable.

b. Foreign exchange

Foreign currency transactions are converted at the exchange rate applicable on the transaction date. Foreign currency monetary items are translated into Hong Kong Dollars using exchange rates applicable at the balance sheet date. Gains and losses on foreign exchange are recognized in the income statement.

c. Taxation

The charge for taxation is based on the results for the period as adjusted for items which are non-assessable or disallowed. Timing differences arise because of the recognition for tax purpose in respect of certain items of income and expense in a different accounting period from that in which they are recognized in the financial statements. The tax effect of timing differences, computed under the liability method, is recognized in the financial statements to the extent that it is probable a liability or an asset will crystallize in the foreseeable future. A deferred tax asset is not recognized unless its realization is assured beyond reasonable doubt.

d. Borrowing costs

Borrowing costs are recognized as an expense in the period in which they are incurred.
